- ✓ String methods: upper, lower, replace, strip
- ✓ Text ki indexing aur slicing
- ✓ f-strings: khaali jagah bharo

> **Is chapter ke video lessons dekho**
> f-strings: a neat bill

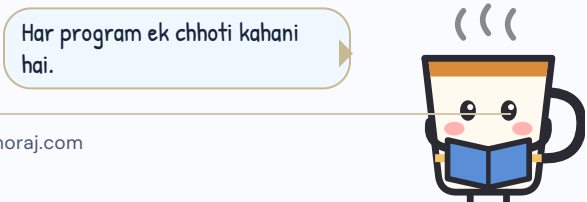

CHAPTER 3 · STRINGS: TEXT SE KHELO

Chai dukaan ki kahani

Raju har customer ka chhota bill print karta hai. Kabhi naam BADE AKSHARON mein aata hai, kabhi extra spaces ke saath, kabhi galat spelling. Haath se dobara likhne ki jagah Python auzaar deta hai: saaf karo, tukda kaato, word badlo, template bharo. Python mein text ko string kehte hain.

> **Yaad rakho:** Text ko chillao, dheere bolo, todo: har kaam ek word se.

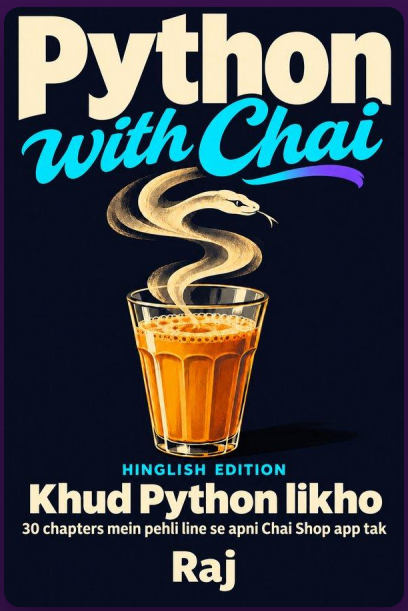

Poori book mein Chapter 3 ke andar

3. Strings: text se khelo

- Idea, aasaan bhasha mein
- Syntax paas se
- Do examples, asli output ke saath
- Line by line samjhaya
