# Python with Chai

HINGLISH EDITION

## Khud Python likho

30 chapters mein pehli line se apni Chai Shop app tak

Raj

Basic

# Chapter 4

# Numbers, maths aur input()

Customer type kare, maths Python kare.

## Is notes mein

- ✓ Maths operators: + - * / // % **
- ✓ Operations ka order
- ✓ input() aur woh text kyun deta hai
- ✓ int(), float(), str() se badalna

**Is chapter ke video lessons dekho**
input: ask the customer

# Chai dukaan ki kahani

Ek customer 7 cup order karta hai. Raju 3-3 ki tray mein pack karta hai. Kitni poori trays? Kitne cup bache? 5% tax ke saath bill kitna? Pehle Raju yeh kaagaz par karta tha. Ab Python turant karta hai, aur customer se poochta bhi hai kitne cup chahiye.

> **Yaad rakho:** Customer type kare, maths Python kare.

Har program ek chhoti kahani hai.

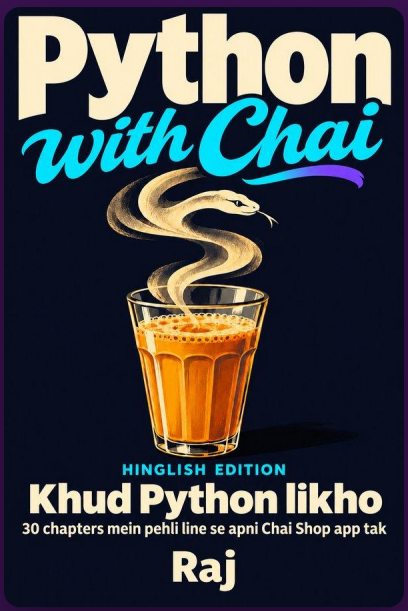

# Poori book mein Chapter 4 ke andar

## 4. Numbers, maths aur input()

- Idea, aasaan bhasha mein
- Syntax paas se
- Do examples, asli output ke saath
- Line by line samjhaya
