HINGLISH EDITION

Khud Python likho

30 chapters mein pehli line se apni Chai Shop app tak

Raj

Basic

Chapter 8
Tuples aur sets

> Kuch cheezein kabhi nahi badalti, kuch kabhi repeat nahi hoti.

Is notes mein

- ✓ Tuples: fixed, na badalne wale groups
- ✓ Tuple ko naamon mein kholna
- ✓ Sets: sirf unique items
- ✓ Set maths: union aur intersection

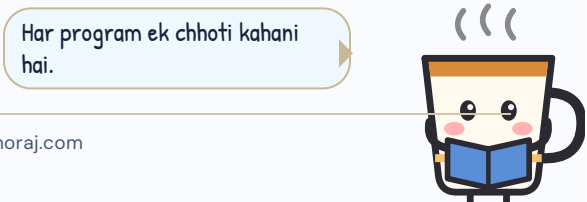

Is chapter ke video lessons dekho
Sets: how many customers?

Chai dukaan ki kahani

Raju ki dukaan ka address kabhi nahi badalta: gali, shehar, pin code. Ek baar likha, kabhi edit nahi: tuple jaisa. Din ke end mein woh jaanna chahta hai kitne ALAG customers aaye, kitni visits nahi. Ravi teen baar aaya par ek hi insaan hai. Woh set hai.

> **Yaad rakho:** Kuch cheezein kabhi nahi badalti, kuch kabhi repeat nahi hoti.

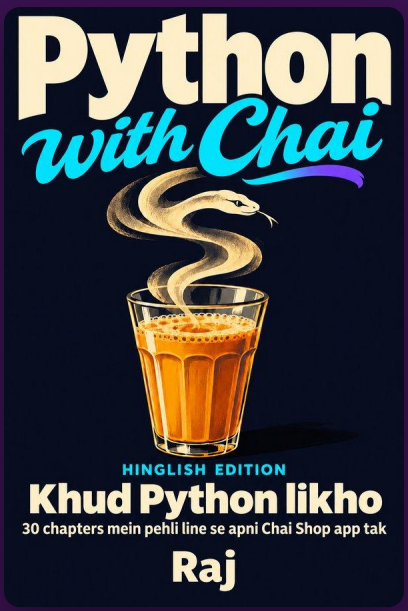

Poori book mein Chapter 8 ke andar

8. Tuples aur sets
